FACILITATION OF VIRTUAL MEETINGS ON FINANCIAL QUESTIONS

***Annotation.** The essence of facilitation, its types and the secret of preparation for virtual collection are considered. The organizational issues of holding a facilitation session on financial issues are revealed on the example of professional terminology. Proposals for the preparation of the discussion and improvement of its quality were made, which will help to reach consensus by the participants of the virtual meeting.*

***Key words:** facilitation, terminology, finance, financial education*

In modern conditions, the need to review and rethink the conditions, forms and mechanisms of discussion and resolution of issues of the existence of the world, individual countries, and the life activities of various formations has become ripe. This especially applies to the field of professional training of financial specialists based on the new educational paradigm and the entry of Ukrainian education into the European scientific and educational space [1, p. 20].
