Liashenko Iryna,

PhD (Economical Sciences), Associate Professor,
Sumy affiliate of Kharkiv National University of Internal Affairs,
Kharkiv, Ukraine

DEVELOPMENT OF STUDENTS' MOTIVATION FOR DISTANCE LEARNING IN HIGHER EDUCATION INSTITUTION

***Annotation:** The article deals mechanisms of development of motivation of students of distance education in higher school, researches of modern domestic and foreign scientists of this question are analyzed, the basic practical recommendations for increase of motivation in distance learning are covered.*

***Key words:** pedagogy, competence, methods.*

The entry of national higher education institution into the European scientific and educational space is a complex and multifaceted task that requires a competency-based approach, which is becoming increasingly popular as a new understanding of the essence of the educational process, its target guidelines [2, p. 15].
